

Our fundraisers are *not* just for social time with parents and friends, they are for the much-needed funds, to keep our children growing and thriving in school. Unlike many other schools in the area that do one LARGE fundraiser, St Linus does three smaller ones, which includes the Hawktoberfest, Turkey Trot, and our Spring Parents Only fundraiser. This spring fundraiser is done to fund our music program. Without this fundraiser, the kids would lose their music teacher and their music program. So let's keep the music playing!!!
