Dear Religious Education families,

Thank you for giving us the privilege of being a part of your child's faith learning. We hope your child(ren) feels heard and connected to their faith and peers. We are looking ahead to the next year where we hope to have more events and opportunities for your family to grow in faith together

With this letter you are also receiving information to begin the registration process for next year. Please note the EARLY registration deadlines and new final payment dates. Registration packets and payment can be dropped off at the St Linus rectory office starting now or in person at the RE building lobby any Saturday in May from 9:00 AM - 11:00 AM.

All financial questions and payment issues or arrangements to be directed to the parish business manager, Joe Dillon at jdillon@archchicago.org

For our students who are entering a beginning or final sacramental prep year, (also those in entering grade 6) please note there may be additional sessions scheduled and extra 'outside work' assigned. Once your child has been registered for a sacramental prep year, you will receive an email with more information and any summer work expectations. Therefore, it is very important that you get registered asap so your student doesn't start next year having to catch up.

A schedule of classes and extra sessions will be finalized and available in May, then sent to our current families via email.

You will always find information:

- on the website <https://www.stlinusoaklawn.org/ReligiousEducation/>
- in the weekly parish bulletin (available at weekend masses)
- in the church vestibules

Please do not let the whole summer pass without bringing your child to mass. Children follow your lead. They will see the value of being in church as a way to connect further to their faith lessons if they see their family doing so. If you would like to be on my email for some summer fun faith building activities, please just send me an email religioused@stlinusschool.org RE: summer fun

Lastly, I have seen a lot of faith filled parents in our group. YOU have what it takes to be a catechist, a classroom aide or even a project sponsor. If you are interested in joining our team, please email religioused@stlinusschool.org RE: helper

See you soon!
